

# BONNER SENIOR & COMMUNITY CENTER APRIL 2026 NEWSLETTER

## COMMUNICATION

Our building is getting a fresh new look! Renovation work will be underway soon. You will notice workers in the building and some temporary noise.

Every improvement is designed to make our community safer, more comfortable, and enjoyable.

Common areas are being refreshed with new flooring, wall covers, better lighting and updated paint. Safety and accessibility upgrades are being added throughout the building including a full parking lot rehab, stall positions in the front bathroom, and handicap accessible push button bathroom doors. There will be added seating and an expanded lobby area. Maintenance improvements are being completed behind the scenes to keep everything running smoothly. All essential services will remain open and accessible. Some areas may be temporarily closed, but clear signs will guide you around any detours. Staff are available to help with any questions or concerns.

Once completed, the renovation will bring a cleaner, brighter, and more welcoming environment for everyone.

**Thank you for your patience as we work to make our community even better!**
